

Lotto Max and Québec Max "Combinaisons"

The Combinaisons (Combination) play is an easier and faster way to play several selections at once. It is only possible to buy one Combinaisons play at retail with a selection slip. The Combinaisons slip provides the opportunity to win several prizes simultaneously.

With the Combinaisons slip, you can play Lotto Max, Québec Max or Double Jeu Max (Lotto Max and Québec Max). This slip may be used to play 6, 8 or 9 numbers. You can choose your numbers or opt for Quick Pick (selection randomly generated by the Loto-Québec computer). The computer will generate all possible 7-number selections using the 6, 8 or 9 numbers of your combination.

It is possible to participate in up to 4 straight draws with the same selection slip.

Extra is available with the Lotto Max and Québec Max Combinaisons slip.
